

Smart Management Support

Gold Membership Features and Benefits

WEBSITE TOOLS >

Gold Membership offers an entirely flexible service to suit your needs. It isn't just about access to a website – this is just one feature of the support you receive when you buy a service from us.

RE - ENGINEERING >

We can offer services to the private as well as the public sector and are particularly experienced with small and medium enterprises. Perhaps you are looking for wholesale re-engineering of your business to renew and energise and meet new challenges. Consult us for support to bring this about.

NEW SERVICE SETUP >

Maybe you are thinking of introducing a new service – possibly as an NHS provider – and require some dedicated project management. It may be particularly attractive to those setting up new provider services in primary care.

PROJECT MANAGEMENT >

In the public sector we will quality assure the project using PRINCE2 methodology to keep it on track. We can take you from concept development through to funding and finally manage the implementation and mainstreaming.

OUTSOURCING >

If you simply want to out-source a part of your administration we can quote for that service e.g. data analysis, payroll, management accounts, HR functions.

COACHING >

Coaching is one of our specialities and we can offer executive, organisational, and lifestyle coaching.

HEALTH MECHANICS >

If you're wanting to introduce additional benefits to employees and therefore your organisation through lifestyle change we can undertake a needs assessment, make recommendations and arrange for services.

TOOLKIT WORKSHOPS >

See our toolkits for self-help. We have workshop sessions which are another option to support the toolkits.

PRICING >

Pricing: Price on application. Individual quotations given.
